ABSTRACT

The need of Traditional Medical treatments is gradually increasing day by day because of raising awareness about our deep tradition, low economic, adverse effect of current treatment methods etc. On other Side systems of medicine trying to upgrade with new technologies to increase the efficacy of Medicine, Low Economic price and increase biological half-life. Cancer is one among the leading causes of human death - worldwide. Here comes the wonderful therapeutic and prophylactic role of traditional system of medicine. Cancer is known as “PUTTRU NOI” in Siddha system which literally mean “Termite Mound”. This article is such an effective scientific document that proof

PERU MARUNTHUGAL is anti-cancer agent for the treatment of Cancer which is in Siddha Origin, more effective, less invasive and cost effective.

INTRODUCTION

Siddha system of Medicine is one of the classical ancient system of medicine, foremost of all other system of Medicine, Consisting of drugs from herbs, minerals and animal origins. It has aristocratic like “PERU MARUNTHUGAL”, Varmam, Yogam. The Peru marunthugal (i.e.) Higher Order Medicine made up of metals and Minerals, it has High half-life, more effective, less invasive and it works (Nano Technology) up to the cell level, even effective in minimal dose. “PERU MARUNTHUGAL” is a group of Medicine which include “KATTU, KALANGU, PAMPAM, CHENDURUM, PATHANGAM, CHUNNAM, URUKU, etc. Cancer is one among the leading cause of human death - worldwide. The increase population

and proportion of cancer patients are acquiring resistance to chemo therapeutic agent, it is necessary to search for new compound that provide suitable specific anti - proliferative effect.

IMPORTANCE OF PERU MARUNTHUGAL (HIGHER ORDER MEDICINE)

- Effective even in minimal dose
- Challenges incurable disease
- Increased Bio availability
- Shelf life is higher (High half-life of drug)
- Quick Absorption
- The great speciality of herbo-mineral formulation is adipogenicity (i.e.) the same drug can be successfully used for various disease.

SOME OF PERU MARUNTHUGAL (HIGHER ORDER MEDICINE)

- ❖ Veera Rasa Padhangam
- ❖ Putru Padhangam
- ❖ Nava Pashana Chendhurum

- ❖ Sanda Rasa Parpam
- ❖ Kalamega Narayana Chedurum
- ❖ Veera Parpam

INTREGRATIVE APRROCH

| <i>S.NO</i> | <i>IN OTHER SYSTEM OF MEDICINE</i> | <i>IN SIDDHA SYSTEM (PERU MARUNTHUGAL)</i> |
|-------------|--|--|
| 1 | Prolonged hospitalization | Not need / Less hospitalization |
| 2 | Adverse effects - Hair loss - Fatigue - Weight loss etc. | Less Adverse effect |
| 3 | Affordable treatment cost. | Cost Effective. |
| 4 | Molecularly targeted therapy (which is only for affordable people) | Molecularly targeted therapy (cost effective) |
| 5 | More medicine and used (Large dose and prolong use) | Minimal dose |
| 6 | The specific drug is used in a specific type of cancer | The great speciality of herbo - mineral formulation is “Adipogenicity” (i.e.) The same drug can be successfully used for various diseases. |

CONCLUSION

Therefore, the article summarized that different kind of treatment is given to Cancer. All of that “PERU MARUNTHUGAL” is cost effective and less adverse effect on the treatment of Cancer. More easy to carry. It is the abound duty of the pioneer of the health care field to put more concern and effects on such new inventions.
